The Influence of Microplastic Pollution on Marine Habitat Loss*

Tara Chakkithara

November 22, 2024

Table of contents

1 Introduction

2 Data

Data for this analysis was sourced from the National Oceanic and Atmospheric Administration of the United States (National Oceanic and Atmospheric Administraation 2024). Statistical modelling and data cleaning was done using Python. Python was also used to create the visualizations, and the dashboard that accompanies this analysis (Rossum 1995).
